

PLAINVIEW TENNIS

Summer 2011

PLAINVIEW JUNIOR CAMPS directed by David Compton, USPTA

Our camp is for girls and boys, ages 7 – 15, from beginner to tournament player. Each camper is grouped by age and level of play. Players new to the game will love QuickStart with shorter racquets, softer balls and a smaller court. Experienced players will enjoy “live ball” play with emphasis on tactics and technique. The last hour consists of games and match play! Tennis... it's the Sport for a Lifetime!
