**CRIME PREVENTION NEWSLETTER
SEPTEMBER 2020**

Jeffersontown we need your help.

Victims Services and Crime Prevention have teamed up to create the newly formed Jeffersontown Police Care Closet. Items will be available for officers to give out in a time of need for victims of crime or just a simple need. We have come across on occasion when officers have reached into their own pocket to buy items for people that need a helping hand. This initiative will hopefully give the resource for officers to better assist our community. We thank you in advance and appreciate any assistance.

Please consider donating items to help supply the Care Closet.
