CRIME PREVENTION NEWSLETTER DECEMBER 2020

Cyber shoppers **BEWARE** for those text or emails claiming that your package has been delayed. **Don't be fooled.** The scammers want you to click a link that can install malicious software on your computer and compromise your personal information. It may also try to get you to log onto a fake website that appears to be the real deal. You think you are logging onto the site, but the scammers are stealing your username and password.

If a deal looks too good to be true, it probably is. Stay away from unfamiliar sites that offer unrealistic discounts on brand name merchandise or gift cards as an incentive to purchase a product.

Use your credit card. Credit cards have a lot more protections than the debit card.

Report suspected fraud! Consumers who suspect they have been victimized should immediately contact their financial institution.

Use caution buying or selling items on the internet. The Jeffersontown Police Department provides a safe spot in the parking lot for the exchange of items sold online.

If you expect a delivery be mindful of the delivery time, if you are not going to be home, ask your neighbor or friend to watch for it.

Have a happy and safe Holiday Season!

We are Jtown!
