**CRIME PREVENTION NEWSLETTER**  
**JULY 2021**

**Happy Independence Day (AKA 4<sup>th</sup> of July)**

This is a festive time of year, cook outs, pool time, and of course, fireworks. There are some safety concerns involving the use of fireworks throughout the neighborhoods. According to the U.S. Consumer Product Safety Commission, there were 11 deaths and almost 12,000 fireworks related injuries in 1 year.

Fireworks have also caused thousands of fires each year. The National Fire Protection Association reported that fireworks sparked about 1,400 structure fires, 200 vehicle fires and 14,000 other fires.

*It is advised to leave firework displays to the professionals.*

**Make Sure you lock up your car and shut your garage.**  
**Don't be an easy target!**
