**CRIME PREVENTION NEWSLETTER  
JANUARY 2022**

***Happy New Year!*** Technology has introduced more complicated crimes such as electronic fraud, hacking, and identity theft. Simple steps can be taken to help prevent such crimes. Do not give out personal information over the phone. Make sure the website you are on is legit. **Government agencies will not contact you and ask for payment** in the form of gift cards or ask you to send cash. So, if someone calls and wants you to pay a fine you didn't know you had.

**HANG UP THE PHONE AND VERIFY!**

One thing that has been found to be consistent is criminals do not take a break when it is cold outside. Please keep your vehicles free of valuables, and **LOCK** vehicle doors. And, as usual, notify the police if you spot suspicious activity in your neighborhood.

 **We are Jtown!**
