CRIME PREVENTION NEWSLETTER
JUNE 2022

School is out for the summer and plans for vacation are being finalized. Don't forget that criminals are always ready to put a damper on that great vacation. Before heading out make sure you lock all doors, garage included. **If you are a Jeffersontown resident** stop by the police department to request a House Watch form before leaving. Have the post office hold your mail or ask a trusted family member / friend to keep an eye on things. Consider using timers on your lights in your home to give the impression that someone is there. Please do not advertise on social media that you will be away!! Enjoy your trip and post the photos when you return.

If you expect a delivery, be mindful of the delivery time, if you are not going to be home, ask your neighbor or friend to watch for it.

Headed to the ballpark? Secure everything inside the trunk of your vehicle if you can. Thieves love to target parking lots of ball fields looking for purses or wallets in cars. If you remove the opportunity to commit crime, you can easily prevent the hassle and heartache of becoming a victim.

Have a great summer!

We are Jtown!
