Freedom
HOPE & COURAGE

MEMORIAL DAY 2020

Memorial Day has great meaning to the City of Jeffersontown, Ky. Founded by Revolutionary War veterans, Jeffersontown has a rich heritage of service to all branches of the United States Military.

We salute our fallen service members on this Memorial Day and express our deepest gratitude for their sacrifice that secured and preserved the freedom we enjoy today.

Though pandemic guidelines prevented us from having our annual Memorial Day Program at an in-person gathering, we recorded a video of the program in order to continue to salute the brave, fallen members of the military who fought to preserve our freedoms.
