If two or more applications are submitted simultaneously for the same site, only one Clerk's Fee is required.

1. The Zoning Change fee covers the Detailed or General Development plan review that is related to the change in zoning.
2. Multi-Family includes religious institutions, schools, and institutions of learning (except colleges, universities, trade business or industrial schools), not-for-profit uses, and clubs, private non-profit.
3. Waiver Fee and application only required when in conjunction with a JBOA CUP or Variance, when Louisville Metro Planning Commission approval is not required for any other reviews.
